2.0 DISCIPLINE

2.1 PHYSC adheres to US Club Conduct and Discipline policies along with additional discipline as identified.

2.2 PHYSC may only discipline players, coaches, parents and board members who are in their own club.

2.3 A three-tiered discipline approach is utilized by PHYSC:

2.3.1 Tier 1 - Education. This includes investigation, discussion, right conduct and behavior, remediation and communication with affected parties.

Intervention may include written notification or discussion with “known” party at a Board meeting.

- 2.3.2 Tier 2 - Restriction. Includes Tier 1 approach and conduct or behavior that willfully stands in contrast to the PHYSC discipline policies. Intervention may include a written behavior agreement or ‘silent saturday’.
- 2.3.3 Tier 3 - Suspension. Includes Tiers 1 and 2 and conduct or behavior that is egregious and stands in contrast to the PHYSC discipline policies. Intervention may include revocation of parent or child from the League or legal action.
- 2.4 Depending on the nature of the incident the PHYSC reserves the right to determine right Tiered discipline on a case-by-case basis.
- 2.5 Failing to comply with the discipline delivered by the PHYSC will result in escalation to another Tier, as appropriate to each case.
- 2.6 A party serving Tier 1 or 2 discipline may attend team activities as long as remediation steps are followed.
- 2.7 A party serving Tier 3 will serve that suspension away from the team and team activities. This includes practice, friendly games, scrimmages, and official games.
- 2.8 It is understood that discipline may be required immediately during the course of team activities. As such, the following rules apply:
 - 2.8.1 A coach or assistant coach who has been “sent off” during a team activity must leave the ‘activity’ area.
 - 2.8.2 A player who has been “sent off” may remain on the sideline or leave with permission from the coach.
 - 2.8.3 A spectator who is sent off must leave the ‘activity’ area.
- 2.9 All games and practices must be under the direction of the coach or assistant coach of record. If neither the coach or assistant coach is available, then the practice or game shall be terminated or an authorized PHYSC official shall oversee the team activity. This may be a result of the coach or assistant coach not attending the practice or game, that they had to leave suddenly or that they have both been ejected from the game.
- 2.10 A coach may be disciplined for intentionally not providing pertinent information about a spectator who has violated PHYSC rules or policy if it is reasonable that the coach should know that spectator. The same holds true for a team parent who does not divulge a child’s name to the referee when the child has violated rules or policy. It is not reasonable for the coach to know spectators who are not members of their team.
- 2.11 Parents/guardians are not allowed to confront a coach, team, player, board member, or league official to discuss any “negative” game or practice situation(s) until at least 24 hours has passed from the completion of the game or practice.
 - 2.11.1 A confrontation shall consist of any conversation, which is elevated from a normal speaking tone and demeanor to one which involves yelling,

profanity, or derogatory comments toward said coach, team, player, board member or official.

In addition, the coach will not allow a player to play with any equipment not sanctioned for use during games (i.e.: no toe cleats).
